

- Specialized Refrigeration for your Temperature Sensitive Products
-  **HACCP** Compliant Certified Food Safe Carrier
- Servicing Canada and U.S.A.

Maye Transport Inc. is a certified partner in the Canadian Homeland security initiative "Partners in Protection" (PIP), and the "Customs-Trade Partnership Against Terrorism" initiative (C-TPAT). In addition, Maye Transport Inc. participates in the Canadian and United States "Free and Secure Trade" program (FAST), and the "Customs Self Assessment" program (CSA), which is directed by "Canada Border Services Agency" (CBSA).

In order to participate in these programs our company must meet and adhere to specific security requirements set forth by these programs. The programs require that carriers have adequate security measures in place at all terminal locations, and within all levels of the company in order to be an accredited secure partner. These programs in coordination with our security policies and procedures protect the customer's shipment from pick up to delivery.
